Dear Sir or Madam,

I am writing to express my enthusiasm for the recent vacancy at your company, as advertised on company corporate website. With a Diploma(Dip) in Systems Development, NQF6 qualification within the Information Technology field, coupled with a passion for Website development, mobile and desktop application development. I am confident in my ability to contribute effectively to your team.

I am an upcoming programmer who is flexible with multiple programming languages. As an individual am willing to learn, grow and improve my programming capabilities, I could not think of any better place for me to archive than with this team.

So far, I have successfully developed a fully functional personal online portfolio, using HTML, JavaScript and CSS. This portfolio is a full representation of my capabilities as a developer.

Being appointed as one of the candidates to your company means the team will now have an individual who is always up for a challenge. I work well with peers and superior's, also I am result driven it is with no doubt that I always deliver and complete tasks on given schedule because am efficient with prompt business turn around times.

I express gratitude for the opportunity to apply and reiterate my enthusiasm for this position. I am looking forward to the possibility of discussing my application further more in an interview.

Thank you for considering my application. I am eager to bring my unique blend set of skills and experiences to the company and contribute to its continued success. Please find my resume attached for your review.

Warmest regards,

Khumalo Morena Innocent.
